Peace Lutheran Church is seeking a Youth & Family Minister. This is a full-time, salaried position. We are a 500 member ELCA congregation in the beautiful Flinthills of north-eastern Kansas, home of Kansas State University. We are located about 16 miles from Fort Riley. Between K-State and Fort Riley, the mission field is wide open!

The successful candidate will work with 5 volunteer Youth Ministers (two couples and one single person) in our on-going Youth Program. Youth events include an annual ski trip, service projects, 30-Hour Famine, ELCA Youth Gathering, and other opportunities.

We have many young adults who attend and have had a strong young adult ministry. Our Christian Education program includes Sunday School for all ages, Confirmation Instruction, and Vacation Bible School.

Our previous Youth & Family Minister was with us for 3+ years and only left to be married and move with her husband. We are looking for someone who works well with people of all ages.
